## WHY JOIN BALLARDSVILLE?

It is an exciting time to be a part of Ballardsville Baptist Church. The church is experiencing new beginnings. We get a sense that we are on the ground floor of seeing God do something bigger than any of us have seen before. We have a renewed sense of passion and purpose to see every believer unleashed into their corner of the community to be multiplying disciples where they live, work, learn, and play.

## WHAT IS MY NEXT STEP TO MEMBERSHIP?

Let one of our staff know. Now, later, or after a church service. Meet with a pastor for a relaxed time of fellowship, discussion, and prayer. Attend a Discover BBC Point class where we will cover our beliefs, our structure, our vision, and our members. Submit the "Truths we Hold Dear" questionnaire and the Church Covenant. To affirm your membership, please allow us to present you to the congregation after a gathering explaining your decision to become members.
